

書道体験の流れ

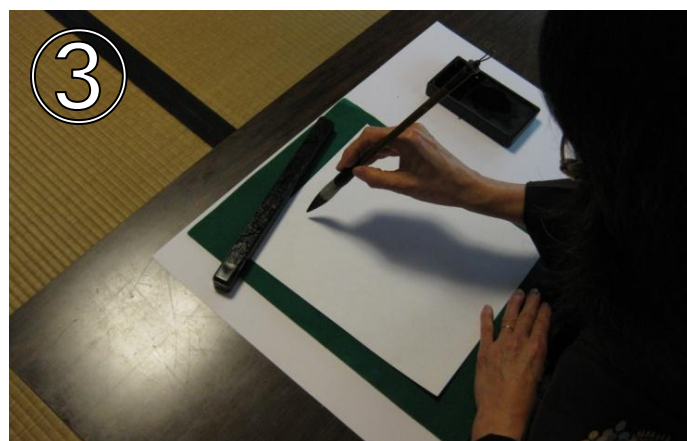

Calligraphy (SHODO)

1. Preparations of SHODO

2. To save time, use Bokuju, ready made black ink instead of the rubbing ink stick.

3. Concentrate and imagine yourself and the image of the character you want to draw.

4. Don't hesitate, draw your own original kanji and your name in Japanese

5. After some practice complete your masterpiece.

6. If you like, the best one can be chosen to receive a prize. We can prepare small gifts for the winner.
